Restaurantchains.net Alerts Newsletter

[member_name_first]:

A weekly newsletter covering public and private restaurant chains featuring under-reported unique facts relating to growth. Pertinent information is gathered, verified and analyzed in-house using proprietary methods created in our research and library departments.

In order to receive specific personnel for companies mentioned along with full profiles, you must be a client.

Regarding growth stories listed:

We publish net unit growth from (each company has their own four-month cycle and companies have varied verification dates, **percentages are not annualized** as a result) one four-month period to the next. This is performed by re-verifying **net growth figures** of approximately 1,000 companies per month. Once our researchers identify the following growth results from our research efforts, we highlight a new round of results each week in our newsletter. Featured growth stories are only a fraction of the growth stories received by clients.
